Our Story

The Gateway Cafe opened December 12, 2015 after several years of dreaming, planning and preparing. The cafe is owned and operated by Cornerstone Church of Augusta in Fishersville, VA.

The congregation embraced a vision to enter the marketplace to show forth the love of God while meeting basic needs people have every day: COFFEE, FOOD & FRIENDSHIP!

Our Mission

Caring Atmosphere: We aim to create an atmosphere where our guests will be cared for by a friendly and hospitable staff.

Amazing Products: We aim to serve products that will reach the status of "amazing."

Faithful Witness: We aim to represent God well and be faithful servants who show His love to others.

Excellent Service: We aim to provide excellent service to our guests.

Round-Up Program

When you round up your bill to the nearest dollar, or beyond, that amount is applied to our Round-Up Program so we can assist people in our community who are facing a personal crisis. This program has assisted people facing cancer, catastrophic events, and disabilities. Your generosity is much appreciated and helps us to help others.
